# THE ACLU'S ANTI-PARENT AGENDA IS COMING TO OHIO: **WHAT YOU NEED TO KNOW**

It has nothing to do with healthcare freedom.

Across the country, fringe groups are trying to remove parents from the process when their minor child is facing a life-changing surgery like abortion or even a sex change.

They Want to Legalize Abortions Up to the  
**Point of Birth and Past the Threshold for Pain**

And Help Minors Get Sex Change Surgery  
**Without Telling Their Parents**

---

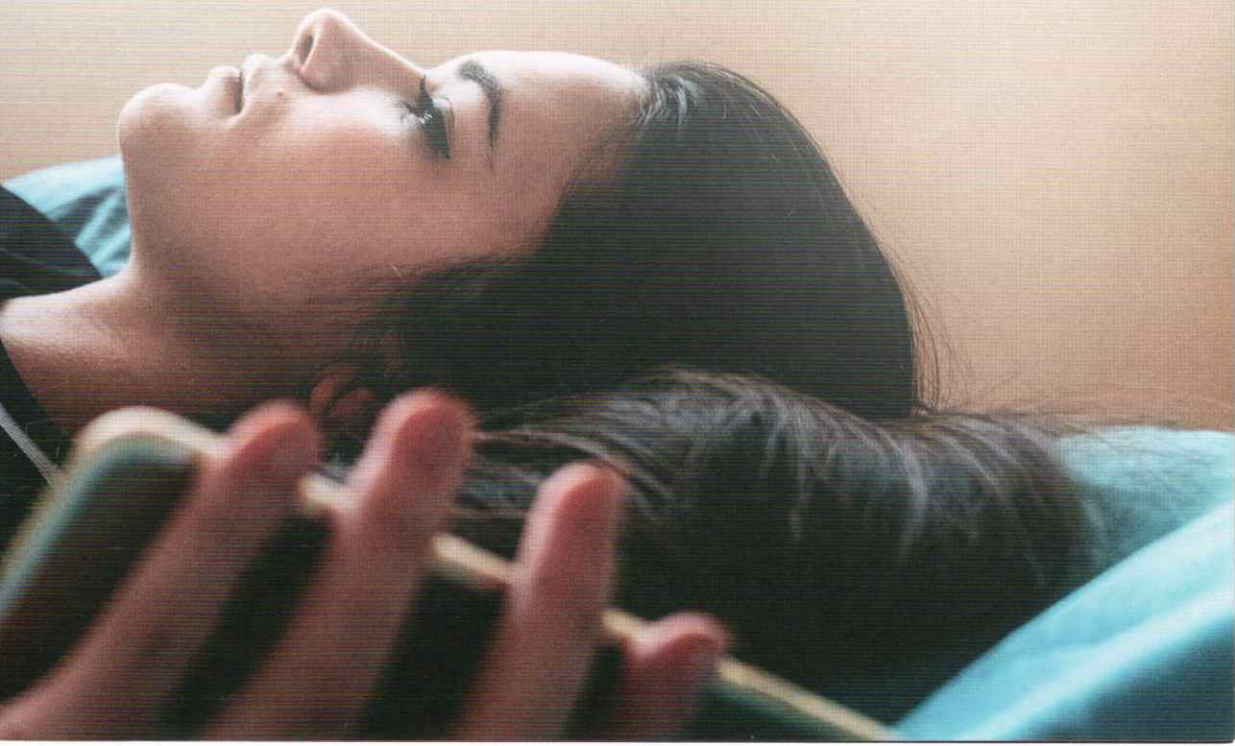

**It gets worse:** the ACLU's plan would toss out most safeguards at abortion clinics. And would do nothing to stop pimps and predators from pressuring women into a painful, late-term abortion.

---

Their plan would remove parents while **helping perpetrators**  
Hurting kids while **protecting adults who should know better**
