**On August 8,
vote **YES**
to protect life.**

Planned Parenthood and the ACLU are working to legalize abortion up until birth without parental consent in Ohio.

Stand for life, and join Center for Christian Virtue by supporting Issue 1 to protect our Constitution from Planned Parenthood and the ACLU's deadly agenda.

Issue 1:

- Elevates the threshold to amend our state's Constitution to 60 percent of the vote.
- Makes it more difficult for out-of-state special interests to manipulate our elections.
- Better protects Ohio from having unrestricted abortion put into the Constitution.
